

# SPEAK OUT!® & The LOUD Crowd!®

at

## Illinois State University

A two-part speech therapy program designed to assist those with Parkinson's *regain* and *maintain* effective communication.

### SPEAK OUT!®

Convert speech from an automatic function to an intentional act through a series of voice, speech, and cognitive exercises.

### The LOUD Crowd!®

Following SPEAK OUT!®, patients attend weekly group therapy led by an SLP providing support, encouragement, & accountability to each other.

### BENEFITS

Participation, daily home practice, and six-month re-evaluations have been proven to help patients maintain communication skills with Parkinson's progression.
